

TINLEY FALL FESTIVAL OPENS FRIDAY NIGHT

GIVE PARTIES FOR STUDENTS LEAVING MOK'NA

Many Mokena young people are leaving soon to enter high schools of learning, and several farewell parties have been given in their behalf. A delightful lawn party was held on the spacious lawn at the Niethammer home in Mokena Monday evening, sponsored by the Young Peoples League and choir of the Mokena Methodist church. Unique invitations had been issued in the form of college pennants. The lawn was attractively lighted with colored Japanese lanterns. Various lawn games were played. Luncheon was served at a later hour from a table on the lawn, covered with a green cloth, with napkins decorated with autumn leaves.

Before departing, a friendship circle was formed, wherein good advice was given to those departing to college. This was responded to from the going away students in humorous and entertaining fashion, furnishing much amusement.

Thirty guests were present at the party. Gifts of book ends were presented to the following members who are leaving for college:

Dolores Cooper, who left Wednesday for Nebraska Wesleyan college at Lincoln, Neb. Shoop, who enters Missouri Valley college at Marshall, Mo. Rita Werner who enters Silver Cross hospital school of nursing, Helen Rueckert, who leaves Sept. 15 to enter Blackburn college at Carlinville, Ill. and Sherrill Swart who enters Hope college at Holand, Mich.

Others present were Jim Needham, who enters the University of Illinois for his third year, where he is majoring in engineering and Joan Rueckert, a student nurse in the hospital at Champaign. Also present were Mr. and Mrs. Steward Shoop, former league and choir members returning from Chicago, and Mr. and Mrs. Donald Reiter, of Joliet.

In addition to the above Mokena students, Gerald Leiman leaves September 15 for Oberlin college, Oberlin, O. Pat McGinnis returns for her second year at State Teacher's college at Normal; Anita Geuther returns for her last semester at Valparaiso college, David Gode returns for his second year September 7 to St. John's college at Winfield, Kas. Dick Gillette enters the Illinois State university at Champaign September 13, and Bruce Gaddis returns to the University of Colorado at Boulder where he is majoring in chemical engineering and business. He leaves for Colorado on the 12th.

Also Donald Bergman is enrolled for his first year at Lewis Aeronautical college at Lockport, Earl Stellwagen and Richard Dunham will enter Elmhurst college. William Rauch will attend Joliet Junior college, and Russell Geuther returns for his second year to the Missouri Valley college at Marshall, Mo.

Another farewell party for departing students was held Wednesday evening at the home of Miss Jean Cooper, who entertained the Bakers Dozen girls club, formerly the senior Girl Scouts of Mokena. Present were Phyllis Gaddis and Helen Rueckert who enter Blackburn college. Dolores Cooper, Jeanne Boleman who enters State Teachers college at Normal, Sept. 14, Mary Ann Rinke, who will enter State Teachers college at DeKalb on Sept. 13; Jean Cooper will depart Sept. 13 for the University of Illinois at Urbana; Sherrill Swart, at Doris Cummins who is enrolled at Silver Cross school of Nursing. Also present were Pat Perley, who returns to JTHS for her senior year, Beatrice Benson who is employed in Chicago, and Barbara Geuther.

Everyone had a delightful time, which was followed by refreshments.

Walter Schrank Injured at Work

Walter Schrank, of 183rd and Oak Park ave., a water service mechanic at the 47th street roundhouse of the Rock Island railroad, was seriously injured Thursday, August 20, when he fell off a ladder while at work. While handling long pipes, the hangers broke, causing his fall. He was taken to St. Lukes hospital. X-rays showed that he had suffered a fractured skull, broken wrist and a slight injury to his leg. Doctors are satisfied that no complications have set in, although he is recovering slowly and will probably be hospitalized for some time.

RAY HEIMERDINGER WED
Announcement has been made of the wedding of Mr. Ray Heimerdinger, of Parker street, Mokena, and Miss Dolores Slachert, of Chicago. They were married in a quiet ceremony August 29.

Crete Fire Dept. Plans Gala Labor Day Weekend Fete

The Crete fire department announces that plans are nearing completion for another gala Labor Day weekend celebration, to be held at the Crete village park on Saturday, Sunday and Labor Day, Sept. 5, 6 and 7. This is the 9th such annual event and members of the department and their auxiliary have spared no effort to make it the most entertaining and successful.

One of the highlights of the affair will be the parade, to be held Labor Day morning promptly at 10:00 o'clock, commencing at the south limits of the village. The parade committee has indicated that no advance arrangements are necessary for entry, and the competition is open for valuable cash prizes in the float, band or drum and bugle corps, marching unit, decorated car, decorated bike and comic classifications. Additionally, the public will have the opportunity to view the best fire fighting equipment in this area, as the parade will contain fire fighting units from most of the communities in this vicinity.

Fun and amusement for the entire family will be provided in the form of all types of rides and concessions. On Labor Day, there will be four performances by the WLS Barn Dance favorites, the Arkansas Woodchopper and the Happy Time Trio. Square dancing will be featured on Sunday evening.

House of David to Play Cuban All- Stars at Manhattan

The House of David baseball club will meet the Cuban All-Stars Tuesday night, September 8, under the lights, at Manhattan starting at eight p. m. The game will be played under the auspices of the Manhattan Athletic association.

This is the Davids 35th season as a national baseball attraction. The Davids have some long ball hitters this season, as well as a good defensive team and entertaining players as well. Bobo Nickerson is the clown and one of the best in the business. In fact, this fellow does everything from a strip tease to tearing down the fences, and also assists Mgr. Anderson in staging their famous "Pepper Game" during the 6th inning.

Oscar Rico is manager of the Cuban All-Stars. Bambino Barera, the hard hitting first sacker, is hailed as the Babe Ruth of Cuban baseball.

The Cubans have adequate pitching, with the real standout being Mario Pino, a six foot three young giant. Entertainment is also provided by the Cubans with some rumba and native dancing by three stellar performers.

Golf Day at Lisle To Honor Treasurer Elmer J. Hoffman

One of the biggest political gatherings of the late summer season will be held Wednesday, Sept. 9, when friends from all parts of Illinois will take part in a Golf day at the Woodridge Country club, Lisle, honoring State Treasurer Elmer J. Hoffman of Wheaton.

Federal Judge Win G. Knoch of Naperville is honorary chairman and Conrad F. Becker of Red Bud is chairman of the committee which has made arrangements for the all day festivities beginning with golf at 9 o'clock, with luncheon to be served from 12 until 2 o'clock, and dinner from 5 to 7 o'clock.

Hoffman was elected State Treasurer last November, his elevation to a state post following a long record of public service in his home county of DuPage. He served two terms as Sheriff of DuPage County, and is currently chairman of the DuPage County Republican Central Committee, a post he has held for the past four years.

He served in the first World War, and has been active in both the American Legion and the Veterans of Foreign Wars.

TO HOLD DANCE FOR RETARDED CHILDREN

The South Suburban Council for Mentally Retarded Children is again sponsoring square dances at Sanger hall in Tinley Park. The dances will be held on the second Friday of every month at 9:00 pm. with the first dance on Sept. 11.

These dances help to raise funds for the school operated by the council. They employ a qualified teacher for school activities, a speech therapist, and a driver to transport the children to and from school which, at present is being conducted at Jones Memorial Community center in Chicago Heights. In addition to paying the personnel, the council pays rental and provides gas and oil for a station wagon. No public funds are available for the education of these children.

The council was organized in February of 1951 as a non-sectarian, not for profit group with objectives of furthering the educational, emotional, and social development of mentally retarded children; to help parents with such problems and also to enlighten the area they serve on some of these problems. They are affiliated with the Illinois Council for Mentally Retarded Children.

Their membership includes 25 families who live in the suburbs of southern Cook county: Chicago Heights, Tinley Park, Mokena, Steger, Homewood, Harvey, Blue Island, Dolton, Glenwood and Richton Park. School is operated four days a week with an enrollment of 15 children.

Injures Foot in Propellor of Outboard Motor

Arthur Hurley, commander of the William Martin VFW Post, Mokena, figured in a freak accident recently. While at Lake Calumet, Mr. Hurley and a companion were lying flat on the outside of an outboard motor boat, while the motor was in operation. When they encountered a swell Mr. Hurley rolled off, and his right foot came in contact with the propeller, which slashed him seriously. His ankle was so badly cut that it was necessary to take a great many stitches.

Mr. Hurley is now walking around on crutches, but is able to go to work. Unfortunately, his billfold went to the bottom of the lake at the time of the mishap. It contained many identification papers and an unnamed amount of cash.

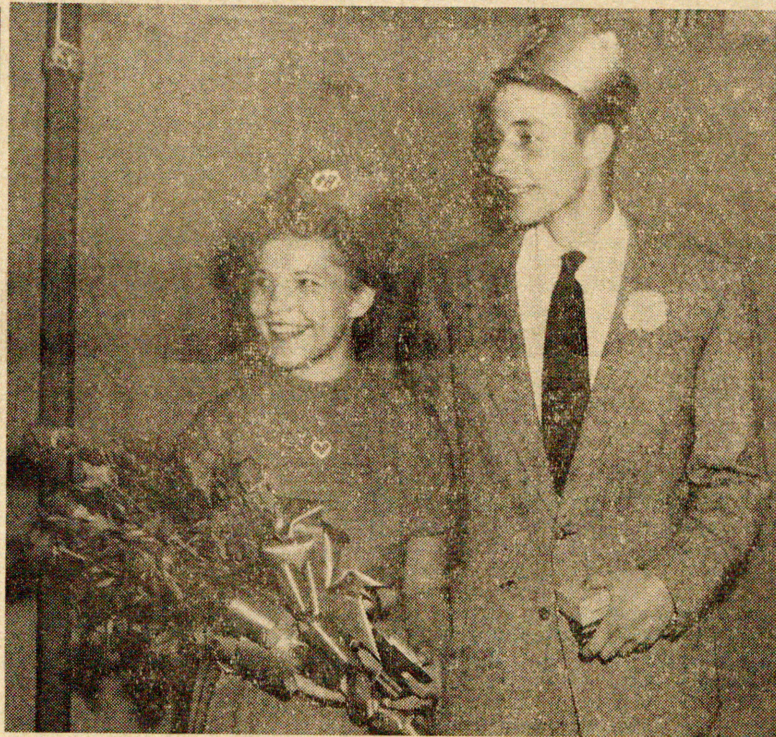

FORM BOWLING LEAGUE

The Mixed Bowling League of Lincoln Estates has announced they will hold a meeting September 11 at 6:45 p. m. in the bowling alleys in Frankfort. All bowlers who are interested in joining this league are requested to attend the meeting.

Church Group Holds Picnic on Farm

The Holy Name Society of St. Mary's parish, Mokena, sponsored a family picnic for the parishioners last Sunday. The outing was held on the Joseph Kestel farm, south of Frankfort. Games for young and old were enjoyed by all. There were 121 in attendance.

The Holy Name Society appreciates the use of the Kestel farm for this family picnic.

Steal Boy's Bike From Dad's Garage

The bicycle belonging to six-year old Rickie Muehler of Mokena was stolen from their garage last Friday evening. It happened that some teen agers were sitting in a car on First street about midnight, when they saw a group of young boys drive up to the Muehler tavern garage, go in, get the bicycle, put it into the car and drive off. Those who witnessed this immediately went into the tavern and reported it to Rickie's father, Richard Muehler, who reported it at once to the police.

Up to this time no trace has been found either of the bike or those who stole it.

Injured in Fall From Second Story

Sharon Vally, daughter of Mr. and Mrs. George Vally, of New Lenox, is recovering in Silver Cross hospital from injuries she received in a fall from the second story window of her home about 6 p. m. Tuesday, August 25. In the 12 foot fall Sharon bit her tongue quite badly, and several stitches were necessary. She is quite bruised and was placed under oxygen for awhile, due to her nervous and asthmatic condition.

MOKENA BOWLERS
The Mokena Community Bowling league have announced they will start their bowling season Tuesday evening Sept. 8 and request all who would like to play in this league to be at the Frankfort Bowling lanes at 9 P. M. on the above date.

TRAIN KILLS 2 IN ORLAND PARK

(CNS) Two men were killed last Thursday afternoon when the auto driven by Vito Marunas, of 509 W. 46th st., was struck by the Wabash Blue Bird streamliner at 143rd st. and Southwest Highway crossing in Orland Park. The auto was traveling west on 143rd st. and apparently the driver did not notice the northbound streamliner approaching. Killed with Marunas was Edward A. Nolan of 4735 S. Halsted st., Chicago. Police said the bodies of the men in the car were hardly recognizable. Identification of the driver was made from papers in his wallet.

The motor of the car was found more than 250 feet from the collision. The train, which was bound for Chicago from St. Louis, was delayed 40 minutes. It was traveling about 55 miles an hour.

The wrecked car was towed to the Cooper garage. The bodies of both men were taken to the Schmadeke Funeral Home in Orland Park, where an inquest was to be held the next day, but was postponed until September 11. The bodies were removed to Chicago for burial.

Although there are flasher lights at this crossing, many are of the opinion that because of the many fatal accidents at this spot within the last few years gates should be installed.

DANIEL GODE RETURNS FROM KOREA

Cpl. Daniel Gode who has served in Korea for the past nine months, arrived at the home of his parents, Rev. and Mrs. A. W. Gode in Mokena Aug. 4, where he was happy to spend a week.

Following his visit at home he returned to the Great Lakes training station where he will remain until his discharge sometime this month.

Cpl. Gode looked well but said it was good to be home again. While in Korea he served in the electrical department at Pusan. There he said the land is rugged and the people are poor and live in lowly places with not much food or clothing.

Open Restaurant At Frankfort Bowling Lanes

Mr. and Mrs. Charles Belling, of Joliet, have opened a restaurant in connection with the Frankfort Bowling Lanes, which opened Tuesday, and are serving fine food, dinners and lunches and sandwiches. They also plan to serve banquets and special social affairs.

The bowling lanes are now under the management of Neat E. Wilson (Eddie) and Elmer B. Clark (Moe). Mr. Wilson was here last season, and Mr. Clark was formerly with the Watseka bowling alleys. Mr. Clark is an expert bowler and a competent instructor.

The Frankfort bowling alleys were renewed during the summer season and are equipped with Vulcan White Diamond natural wood pins.

Want to Contact Mothers With Pre- School Children

Several mothers in Mokena are interested in having their pre-school children attend the Orchard Hill kindergarten in Tinley Park this season and would like to have their mothers who are interested in the same to talk this matter over.

Those interested are asked to telephone either Mrs. Betty Halverson Mokena 4902 or Mrs. Charles Hostert, Mokena 2228. It is desired to get enough children to go to this kindergarten so that a pool of cars could be formed. In that way no one person would have to drive with their car every day, a change from day to day could be arranged with other mothers helping. In that way the pre-school children could be enjoying the benefits of kindergarten.

BILLY GRAHAM FILM

A film, "Mr. Texas," a Billy Graham production will be shown at Calvary Baptist church at Lincoln Estates, September 9 starting at 8 p. m. There is no admission fee.

Yvonne Genens of Frankfort Wed to Pvt. Donald Stephen

Miss Yvonne E. Genens, daughter of Mrs. Elsie Genens, 35 N. Carpenter st., Frankfort, was united in marriage to Pvt. Donald E. Stephen, son of Mr. and Mrs. Leo Stephen, Spring Valley, Mo., Saturday, August 29, at 7 p. m. The ceremony took place in St. Peter's Evangelical and Reformed church in Frankfort, with Dr. Erich Bizer officiating. Mrs. Bizer played the organ.

The church was decorated with gladioli, pompoms, Fujimums and palms. While the couple knelt at the altar, Mrs. Robert Anderson sang "O Promise Me" and "The Lord's Prayer."

The bride was escorted by her brother in law, Mr. Robert Niemann. She wore a gown of nylon tulle over a satin skirt with Chantilly lace bodice with long tapering sleeves, and a cathedral length train. Her finger tip veil was caught with a tiara of pearls and rhinestones. She wore a crystal necklace and earrings, and carried a white Bible centered with a white orchid.

Matron of honor was Mrs. Robert Bookwalter, a friend of the bride.

Miss Barbara Nieman, niece of the bride, was junior bridesmaid.

Delmar Genens, brother of the bride, was the best man. Louis Niemann, nephew of the bride, acted as groomsmen. Kenneth Waldvogel and Jack Hurley, friends of the groom, were ushers.

After the ceremony about 200 guests attended the reception which was held at VFW hall Mokena. The Ladies Auxiliary served.

The groom reports to Fort Sill, Okla. His bride returned with him for a week, and then will return home to reside with her mother in Frankfort.

The bride was previously employed as bookkeeper at the Bremen State bank, Tinley Park. Prior to entering the army, the groom was employed as a truck driver by George Waldvogel, of Frankfort.

Must File Soon For Postmaster Job Open in New Lenox

Tuesday, Sept. 8 is the last day applications will be accepted by the U. S. Civil Service Commission for the postmaster position in New Lenox.

According to an announcement by the Commission in Washington, D. C., the number of applications received so far has not been sufficient for adequate competition. The current examination was announced under new qualifications standards recently agreed upon by the Post Office Department and the Civil Service Commission. Officials of both of these agencies hope that the new examinations will attract a larger number of well-qualified applicants than has been obtained in the past.

Application forms and further information on the examination are available in the post office. The forms must be filed by the deadline with the Civil Service Commission in Washington, D. C.

Audrey Joan Kern Of New Lenox to Wed Lt. Lankenau

Mr. and Mrs. C. E. Kellogg of New Lenox, are announcing the engagement and approaching marriage of their granddaughter Miss Audrey Joan Kern, of Lt. Floyd Lankenau, son of Mr. Reuben Lankenau of Peotone.

The wedding will take place Wednesday evening, September 16 at a 7:30 o'clock candlelight ceremony in the New Lenox Methodist church. Rev. Ralph L. Miller will officiate at the double ring ceremony.

Invitations have been sent out but all friends and relatives are invited to attend both the wedding and reception which will follow immediately after the ceremony in the Lions Den on South Cedar road.

This wedding date will also mark the 50th anniversary of the bride to be's grandparents, Mr. and Mrs. Kellogg. The reception will also be held in their home.

ROAST BEEF DINNER

On Thursday, Sept. 10, from 5 to 8 pm, the Woman's Society of Christian Service, of the Tinley Park Methodist church, will serve a roast beef dinner in the dining hall of the church. Everyone is invited to attend, and enjoy this home cooked meal.

After many weeks of careful planning and arduous work on the part of a large group of people on various committees, the great annual event for Tinley Park at this season, the Fall Festival, is at hand. Festivities will get underway Friday evening at 7 o'clock. The Festival will continue for three days, during Saturday, Sunday and Monday, the Labor Day holiday, in Memorial Park.

There will be a great many concessions which will be operated for the Tinley Park Recreation Commission by members of the various organizations who sent representatives to the Commission. Among them will be games, which will be managed by the Tinley Park Lions club, St. George Men's club, the Sportsman's club and the Business Men's association.

Operating various booths will be the auxiliary to the VFW, who will have charge of the sports booth; the American Legion auxiliary will operate a booth containing a variety of merchandise, and the W.B.A. will also operate a booth of this kind. The Royal Neighbors and the Business Men's Assn. will be active in other locations on the grounds.

The Boy and Girl Scouts will have two booths for a dart and cane game. The Girl Scouts will also provide messenger service, while the Boy Scouts will be in charge of cleanup service.

The Methodist Men's club will operate the High Striker.

The Tinley Park PTA will be responsible for serving food. The American Legion will operate a refreshment stand, and the VFW post will feature ham and bacon.

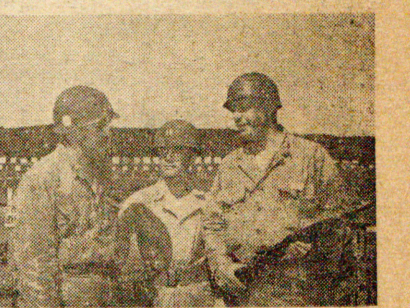

Life saving apparatus will be displayed by the Tinley Park firemen, who will maintain a first aid station. Members of the Home Bureau will assist in selling tickets. Cashiers will be supplied by the Womens club, the Garden club, and the American Legion Auxiliary. The Tinley Park games will also have a booth on the grounds.

In fact, the whole Tinley Park community, in one way or another is involved in this annual Fall Festival, and all have combined their efforts to make the Festival a huge success, outclassing even the successes of previous years. Nothing has been left undone towards this end. The Festival's success will mean permanent benefit to all citizens of Tinley Park, for the proceeds will be used for the improvement of Memorial Park by leveling, draining and seeding, to make it a beauty spot as well as a place for all types of recreation. This park is available at all times for the activities of young people, the main objective being to keep them busy and interested, and in this way out of trouble.

In addition to a multitude of interesting and instructive exhibits showing the wares of the

Three Local Men With Reserve Unit Now at Camp McCoy

Three south Cook county officers, all members of the Hq., 322nd Logistical Command, a Chicago army reserve unit, are in charge of range operations for that organization which is now

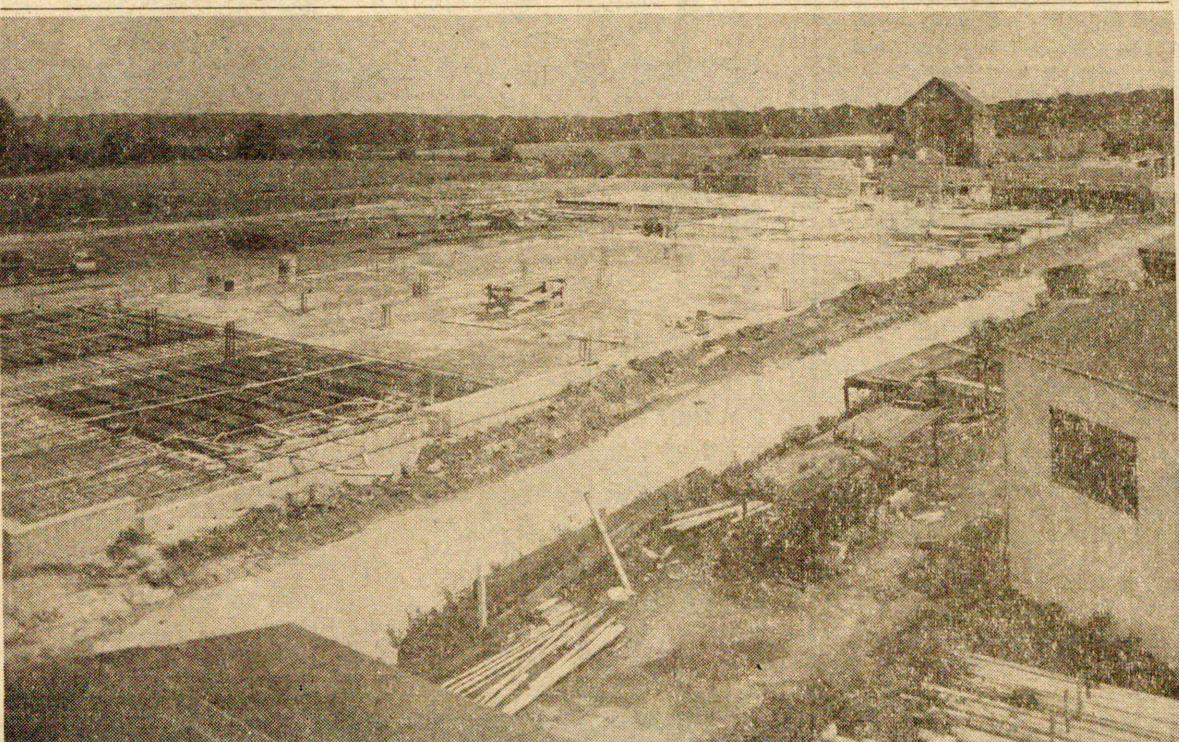

on two weeks of active duty at Camp McCoy, Wis.

Lt. George Klaus, 16902 Elm Lane Dr., Tinley Park, is at left and Capt. James E. Marshall, 6730 Ravinia Dr., Tinley Park, center. Col. George H. Bills, 95 E. Parker Rd., Mokena, at right, was in charge of the carbine range firing.

Col. Bills is Quartermaster of the 322nd, an organization designed to provide administrative supply and service support to a field army of 400,000 men. Lt. Klaus is a member of his section. Captain Marshall is a member of the plans and training section.

In addition to two weeks of summer training each year, the 322nd meets every Friday night at Navy Pier, Chicago, and has vacancies in nearly every branch of the army for both officers and enlisted personnel.

Above is a view of the new Lincoln-Way high school on route 30, New Lenox, which is under construction. Picture was taken looking northeast over the academic section. It shows on the east end a portion of the wall erected, with the concrete floor, footings all in, and there is quite a portion of the wall erected on the west end not shown here. The beautiful woodlands shown in background are part of the school property. This high school, District 210, is scheduled to be ready for service a year from now, in September 1954.

NEW 2-WAY PLOW ...

for the CA — champion tractor
of the two-plow class

Now Allis-Chalmers offers 2-way plowing . . . two 12- or 14-inch bottoms . . . for the CA Tractor.

This spinner-type, close-coupled, 2-way plow eliminates dead furrows. On flat land the field is plowed level from side to side — so essential for irrigation and good surface drainage. On hillsides and rolling land . . . all furrows are turned uphill to resist downward creeping of the soil and to reduce runoff.

Priced only slightly higher than a one-way moldboard plow, the new 2-way plow is hydraulically lifted and uses CA Traction Booster to put extra weight on drive wheels.

Let us demonstrate.

2-way Spinner-type Plows are available for both WD and CA Tractors

IN MEMORIAM

In memory of Ernst Stelter's birthday, Sept. 5, 1953, who was taken from us July 7, 1953.

The sun and moon are shining,
On a lone and single grave
Beneath lies one we dearly love,
But whom we could not save.
Friends may think we have forgotten,
When at times they see us smile,
Little do they know the heart-ache,
That our smile leaves all the while.

LOVING WIFE, CHILDREN,
and GRANDCHILDREN.

The Ernest Yepsen family enjoyed a two week motor trip, recently, through the Black Hills Cody, Wyo. (where they attended a rodeo) the Grand Tetons, Yellowstone, and the Badlands. They spent a day on their return trip with the Callahan family, formerly of Tinley Park, now living on a ranch at Minna, South Dakota.

Edna Reihner has returned from a vacation spent at the Schroll resort, Packwaukee, Wis. on Buffalo Lake. She and Mrs. Schroll shopped in Portage, Wis. and the big dam, then on to Westfield and Harrison and the fish hatchery. At Endeavor they visited a friend of Mrs. Schroll's. Edna continued on from there, alone, to Reedsburg, Wis. to spend a little time at the Rev. Selle home. While there she attended the Tommy Bartlett water show near the Wisconsin Dells.

Mrs. Conrad DeValk suffered a slight concussion Wednesday when she tripped, while carrying fruit jars upstairs from the basement. She is recovering in her home.

Mr. and Mrs. Irwin Ernst and children left August 7 for Otis, Colo. to spend 10 days with the Bud Brandaus. Three more days were spent on a ranch southwest of Akron, Colo., as guests of Mr. and Mrs. Gene Saxton, formerly of Tinley Park and Mokena.

Two days were spent in Estes Park where Bud and Irv went on to Steamboat pass, which was a seven mile hike up into the mountains, where they spent 3 days trout fishing. They caught 120 trout in one day.

Out of town relatives entertained at the Hal Kent home the past weekend, were Hal's sister and husband, Mr. and Mrs. Louis Hultgren and children, and Miss Bobby Cullison, of Dallas, Texas, and Mr. and Mrs. Ralph Kent of Iowa City, Iowa. Sunday evening Mr. and Mrs. Rollin Hultgren and daughter of Gary, arrived to join these and 59 Tinley Park residents at a potluck dinner held on the lawn of the Kent home. The celebration was in honor of Edith Lucille, three year old daughter of the Kents, who was baptized Sunday morning in the Tinley Park Methodist church, by Rev. James Odom.

Mrs. Cecil Bullock and daughter Karen who were guests of the Blitvitch and Kuhn families the past week, returned to their home in Palmersville, Tenn. Friday.

The Hubbard Lane Movie Star club, which was organized recently, now has 10 members. Tommy Blount, president and Pat Robinson, vice president, report that the members are studying about the movie stars and learning songs. They also play movie and song, step-up quizzes. The favorite female star of the members is Jane Powell and favorite male, Tony Curtis. Any one wishing to join the club should call KE 2-2732.

Joe Blount celebrated his 13th birthday by entertaining 16 friends at a party in his home Wednesday evening. After the playing of games, refreshments were served.

Eugene Roe, civil engineer, of Philadelphia, Pa., is now associated with the Tinley Park Home Builders, and will supervise the street layouts in the new subdivision. Mr. Roe's wife and son have joined him here.

Mr. and Mrs. Jack Casey have moved into their new home at 6738 Tinley Park drive. The Caseys lived at 17214 Oak Park ave.

The Cecil C. Taylors, formerly of 18119 Sayre ave. are now living in their new home at 17445 175th street.

The Richard Bellware family of 168th and Sayre ave., have

moved to their home town, Detroit, Mich.

Mrs. VanderMeer and children Evelyn and Bobby, spent a week recently at Bloomingdale, Mich. They greatly enjoyed fishing and swimming there.

Mr. and Mrs. Claud Wolf of Ridgeland ave., while vacationing in Denver, Colo. from August 16 to 26, stayed at a motel owned by Mr. and Mrs. Charles Bonn, former residents of Tinley Park. They also visited a Central City, Cave of the Winds, and Echo Lake and made a trip up Mt. Evans, where they were caught in a blizzard at the top. The children enjoyed fishing at Twin Lakes, and Ontario Lake.

A reunion of the family of Mrs. Ida Guth, was held Sunday at the Schutz Forest preserve. Present were Mrs. Guth, Mr. and Mrs. Ted Sharpneck of Maywood, their daughter and husband, Mr. and Mrs. George Long and son Roger, of Cicero, the Willis Guth family of Tinley Park, and grandchildren Galen Guth of St. Charles, and Mr. and Mrs. Don Hardy of Elgin.

Mr. and Mrs. Willis Guth and children and the former's mother, Mrs. Ida Guth, motored to Washington, Ill., Friday to attend a reunion of the Guth family held at Sportsman's park, which site was formerly the home of the Guth family. Dennis, 10 month old son of Mr. and Mrs. Walter Bormet of Monee, formerly of Tinley Park took first place in a baby show in the Will County Fair at Peotone. Mrs. Bormet was formerly Arlene Stege, of Tinley Park.

Mr. and Mrs. Fred Willman who spent five days in New York City, returned home Saturday night. They enjoyed a 3 1/2 day cruise on the city of the seeing the Bowery, Yankee stadium, the Polo Grounds etc. At twilight they went to the 86th floor of the Empire State building and saw the lights of the city come on, then they continued up to the glass enclosure at the top which is the 102nd floor. They also made a trip to Coney Island the same evening. A cruise on the rivers of the city was quite an experience. An evening was spent at Radio City Music hall.

Police chief and Mrs. Harold Moore went to Twin Lakes, Mich. over the weekend, to visit his brother, Mr. and Mrs. Clifford Moore, and also to bring home his mother, Mrs. Estelle Moore and their daughters Marlene and Colleen, who spent the past two weeks at the lakes.

While there Mrs. Moore was bitten by a neighbor's dog. She was taken to a doctor who treated the wound, but infection set in later, and she is now under the care of their family physician, and is doing well.

Mr. and Mrs. Kenneth Kohn and children returned Monday from a vacation at Decatur, Mich. Mr. and Mrs. E. W. Roberts have returned from a motor trip to Toronto and around Lake Superior.

Mr. and Mrs. Harold Tatgenhorst announce the birth of a son, August 25 in Silver Cross hospital in Joliet. The baby who has been named Keith Harold, weighed nine pounds. He has a sister 15 months old.

Lynne, Jayne and John Roberts are home from a 10 day visit with relatives in Coal City. Mr. and Mrs. Norman Harding returned last Wednesday from

From Douglas, Alaska, I have received a copy of a Valedictory Speech delivered by John Jensen to his High School Graduation Class this past Spring. This 18-year old lad shows such a grasp of public affairs and has expressed himself so aptly, that I can think of nothing better to pass on to my readers than to quote him. From here to the end of this article John Jensen speaks:

here tonight as a free people. No one made us come; no one is forcing us to listen. Consider how different this same assembly would be in a communistic state. You would all be here under pain of demotion or exile. My talk would simply be a recording of today's party line. I could say nothing I actually thought unless it met with the approval of the authorities. However, in America, I'm free to talk, and I'll talk about the difference between our American Republic and a Communist State—their basic principles and their promises for the future.

True Communism is a method of life in which each person adds to the common storehouse according to his ability and takes from it according to his need. However—the Communism I'm referring to tonight is the Communism spreading and infecting the world at the present time.

The outstanding difference between Communism and our Republic is our belief in Divine guidance. Our belief in God is the spring from which our rights, liberties and strength flow. Through God we recognize the dignity and rights of man.

Communism preaches that religion is the opiate of the people, a mere delusion. Communists deny the soul, believing only in what they can see. The people are regarded as soil on which the state can grow. The state is everything, the people nothing.

The government of a Republic is for the people. It is created by the people to work in their interests. We believe that men are born free and that no man can alter that fact. History demonstrates to us that Dictators are driven off when they begin to infringe on the people's rights.

There are several ways in which a Republic is stronger than Communism. The first and most important of these is our free enterprise system. Free enterprise is the first result of a fundamental truth—a belief in Divine guidance. With the guidance of God, we realize that it is wrong to enslave a free man. Therefore, men are free to go their own ways, to make their fortunes as they will—to choose right or wrong as they wish. A man working in faith and freedom can accomplish things a slave could never approach.

Another practical principle

that has made our Republic strong is the freedom to speak our minds. This includes freedom of the press, speech, assembly and of worship. It enables men to publicize wrong doing and to promote changes for the better. Free speech is the tool by which free enterprise works.

We know that nothing is permanently conquered by force. Christianity has not been killed by force and neither has Fascism. Therefore, we can be reasonably certain that the principles of Communism will not be destroyed simply by killing Communists.

How, then, can Communism be wiped out? It can be done only by education! Communism has gained ground because many who advocate a Republic are not willing to put it into practice. Being opposed to Communism is not enough. It is not what we're against that counts, but what we are for. We must be for our Republic.

The way to build a Republic is through education. We must teach the people of the world why a Republic will serve them better than Communism. We must begin with the children. Young people must be thoroughly trained in the practice and responsibilities of government. To leave the workings of government to other people will be fatal.

Merely voting every two years will not do. We must study the government—look for waste and inefficiency. If every person in the free world studies and works toward free government as zealously as an active Communist works for his cause, inefficiency would cease to exist. With an efficient, healthy Republic, Communism cannot win. Because the basis of Communism is weaker than the basis of a Republic and if both met full strength, Communism would eventually be absorbed and would be no more. However, action cannot be left to other people. We must take it upon ourselves to make our Republic work.

I'll close with a quotation from Abraham Lincoln.

"Intoxicated with unbroken success, we have become too self-sufficient to pray. God that made us, I beseeches us then, to humble ourselves before the Offended Power, to confess our national sins and to pray for clemency and forgiveness."

YANKEE HERITAGE

YANKEE WIT—TERSE, TANGY—A HERITAGE FROM THE COLONIAL DAYS WHEN WE WERE DEVELOPING A FOOTHOLD ON THE ATLANTIC SEABOARD, HAS MERGED WITH THE WIT OF OTHER SECTIONS IN THE SENSE OF HUMOR, IN WHICH ALL AMERICANS TAKE PRIDE TODAY.

SIMILARLY, YANKEE THRIFT—BORN OF THE HARD NECESSITIES OF COLONIAL TIMES—HAS COME DOWN TO US IN THE HABIT OF AMERICAN FAMILIES OF SETTING SOMETHING ASIDE FROM TODAY'S EARNINGS, FOR TOMORROW'S USE.

Using Money

Lesson for September 6, 1953

CAN you use \$500?" is the way a loan company begins its circular inviting you to borrow from them at a ruinous rate of interest. Yes, indeed, I can use money, everybody thinks. What a man means by that is: I can think of ways to spend it. Give me a hundred dollars and I can guarantee to get rid of it before night. Give me a million and it may take me longer but I can use it, I can make it vanish, I can swap it in for something else. But that is not using money. That may be using it, but maybe not. Money can be spent in wise ways or foolishly; it can be exchanged for something good or something bad or for really nothing at all. Using money is something more than merely passing it out of your pocket into somebody else's.

Dr. Foreman

Root of All Evil

Money is not a bad thing in itself as some have thought. But it can be the root of many bad things. Or to speak more correctly, not money but the love of money is a root of all evils. (Paul does not in the original Greek say THE root; he does say A root.) For example, when a murder is committed and the police are trying to solve the mystery, one of the first questions asked is: Who stands to benefit by this murder?—meaning, who is going to strike it rich by this crime? Love of money can be a root of murder, theft, adultery, all the sins on the calendar. We could not abolish crime by abolishing money, to be sure. We could not abolish crime by seeing that every man, woman and child had exactly the same amount of money. The sinful heart has many outlets. But love of money, or in other words greed, selfishness, is one of the easiest and most frequent ways by which man's inner meanness comes out in the open.

Rich Toward God

On the other hand, money makes much good possible. If a man is going to be a "good father," he can't be that if he is a pauper. He doesn't have to be rich, but he does have to have money for groceries and education and all that it takes to bring up children. If a man is going to be a good citizen he will pay his taxes, and if the state is a good state those taxes will be wisely used for the benefit of all. A poverty-stricken state is not a good state to live in. A poverty-stricken home is not the kind of home you want your children to grow up in. Or consider all the good done by the church. Much of it is made possible by the contributions of the members. An orphanage, a hospital, an old folks' home, an evangelistic campaign—every part of the church's activity is something that uses money and transforms it into service and happiness. In Jesus' parable of the rich farmer whom God called a fool, no doubt the neighbors (some of them) admired the man for his wealth and his thrift. "He takes good care of what he's got," they would say. But Jesus did not think well of the man. His trouble was not that he was well-to-do. Jesus never condemned a man simply for owning property, money or anything else. The rich fool's trouble was that he thought of no one but himself, built his barns for no one but himself. To be "rich toward God" he would have to think about using his wealth for the benefit of some one besides himself.

Bull's Eye

Everybody aims at something in life—everybody, that is, but the aimless, who don't count. We all take aim—but at what? When you pull back the bowstring, or cock the trigger, and look toward the target, what do you see in the bull's eye? What is the very center, the principal aim of living? Some see nothing but the dollar mark. It is a mark that can be hit, and a man's aim can be absolutely accurate. But the trouble with money as a central aim in life, is that the more successful a man is in hitting it, the less satisfied he is likely to be. There are rich people who are happy; but it is not true that a man grows happier with every dollar he adds to his pile; it is not true that the happiest persons in town are the wealthiest. It is generally a fact that if a person is both rich and happy, his happiness comes from other source than his bank account.

Tips on Touring

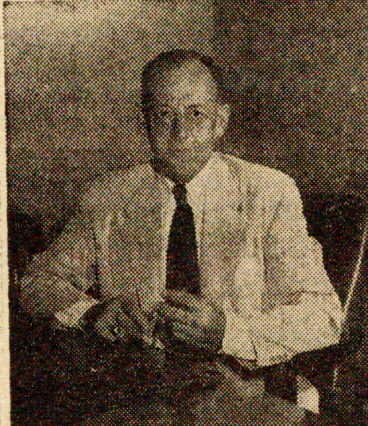

By Carol Lane
Women's Travel Authority

Take your desert driving with a pinch of salt. This is my advice to motorists who plan trips through the desert regions of our great West and Southwest this summer. Remember a few precautions and

you and your car will be in first-rate shape for the trip. For your own comfort, take a pinch of salt or a salt tablet, before starting out. This helps replenish the salt you lose through perspiration. Also, don't forget a thermos of water. Many seasoned travelers confine their desert travel to late afternoon or night. Not only is it cooler, but the myriad colors of the desert are most beautiful in the late afternoon. Stay on the well-marked highways because it's easy to get lost at nighttime in the desert. You'll find a wrap may come in handy after dark.

For your car's sake, visit a service station before starting and be sure that another is available within the next 200 miles. Have the attendant check your headlights, fill your gas tank and radiator and put lower pressure in your tires than you usually carry. Extras such as a radiator screen to ward off bugs, a water bag to refill your radiator and a flare in case of car trouble provide further insurance of a safe crossing. In an emergency, a waxed milk container burns brightly enough to warn off approaching motorists.

Gone are the days when desert travel was only for the hardy adventurers. Modern motorists do it with a grain of salt.

In less time than ever before, you'll speed through haying... pile up big savings three ways when you depend on a cost-cutting John Deere Hay Chopper.

The time-saving is obvious; labor cost is held low with a minimum crew. The big saving is in preserving the feed value of the hay and the complete use of available feed. You pick up all the hay and, since the stems

are chopped and mixed with the leaves, your stock will eat it completely.

Plan to streamline your haying operations with the dependable John Deere Hay Chopper. Field-proved row-crop attachment for big-capacity ensilage harvesting makes the John Deere an all 'round forage harvester. See us for full details.

FALL FESTIVAL—

(Continued from Front Page)

community and the services available, and all the newest in household equipment, farm equipment, autos and accessories, the technological advances in radio and TV, there will be thrilling entertainment every hour. One of the thrills will be the sensational act of Lucky Millie Weller who does her acrobatics 110 feet above the ground and ends with a "slide for life" suspended only by her teeth.

Prizes will be given away every hour while the festival is in progress. Monday will bring the festival to a climax, with the awarding of the fully equipped Chrysler New Yorker, with absolutely no mileage on it, with new car servicing from the dealer. A huge display of fireworks is featured for Monday night.

Tinley Park residents say, "Why risk traveling long distances over these crowded highways over this last week end holiday of the summer when the casualty rate is always so high, when the same, or even greater, enjoyment can be had right at home, close to home, at the Tinley Park Festival, where, by participating in the fun among home folks, you will be contributing towards a splendid gift to yourself — a much improved park."

As the event has been widely publicized, it is expected that the Tinley Park Festival in Memorial Park, September 4 to 7 will be the gathering place for young and old from this entire area. Adequate parking facilities have been provided, and every possible step taken to assure a good time for all who attend.

U. of I. Dairy Day September 10

The second annual Dairy Day for Illinois dairymen and their families has been announced by the College of Agriculture of the University of Illinois.

The date is September 10, 1953, and G. W. Salisbury, head of the college's department of dairy science, lists these attractions:

tions of the special day:

1. A speaker list headed by Allan B. Kline, president of the American Farm Bureau Federation.

2. Reports on up to the minute dairy research.

3. Tour of the University's dairy farm and research laboratories.

4. Attractive displays and exhibits.

In his talk "Farming and a Look Ahead," the farm bureau leader will size up the current farming picture, with special emphasis of the future of dairying.

Illinois dairy scientists will report their findings in cross-breeding experiments, use of pipeline milking systems and udder investigation.

Meeting time is 9:30 DST Thursday, Sept. 10, at the main dairy barns, South Lincoln Ave., Urbana. Lunch will be available on the campus. The afternoon program will be held at the University auditorium.

WHAT WE GOT IN AUGUST

(CNS) If you got the impression that August was a warm month, you're right. It was the hottest since 1947, the fourth hottest on record, and to add to the discomfort, the tenth driest on record and a month in which the wind was calmer than average.

Average temperature in August, according to the U. S. Weather Bureau, was 75.8, or 3.1 degrees above normal. The August 1947, average of 80.2 was the record breaker.

From 24 days above 90. A normal summer in the Chicago area has only 13 days over 90 degrees. The last seven days of this August recorded temperatures over 95 degrees, setting a new record as well as records for each of the last six days in August.

Compounding the misery was the fact that only 1.00 inches of rain fell during the month and none since August 12. The month

ly total was 2.19 inches below average and the 19 day drought at month's end tied a record set August in 1899.

The sun shone 77 per cent of the time possible in August, just one per cent below the record in 1948 and seven per cent above normal of 70 per cent.

The wind averaged 7.3 miles an hour, 1.4 mph below normal in the calm month of August.

August, incidentally, was the third super normal month in a row. It crowned a summer in which June was 4.1 degrees above average with 73.5 degrees and July 1.8 degrees over the norm with 76.4 degrees.

*And with September coming on, the end was not yet in sight.

TEACHERS TAKE UP OLD DUTIES OR NEW ONES

With the termination of the vacation season, Mokena's school teachers are returning to their old posts, or to new ones.

Mrs. Milton Geuther, who received her master's degree in home economics at the University of Illinois in August will again be in charge of that department at the Orland Park high school. Mrs. Louise Powe returns as teacher of the Orland Park grade school. Mrs. Charles Rose returns to Matteson grade school, where she has taught for a number of years, and her daughter, Margaret, returns to the Oregon community high school, where she heads the home economics department.

Mrs. Helen Lembeck returns to the Maue school as principal, and Mrs. Hazel Brown returns there as in previous years. School opens there September 8. Mrs. Elfreda Schlacks returns as teacher to the Lindholm high school in Chicago, and William Weber returns September 8 to the Chicago Vocational school. Miss Dorothy Kohl returns to the Hollstein school as principal and teacher.

New teachers this year from Mokena are Milton Geuther, who starts September 8 at the North Palos school, and Mrs. Arthur Shoop starts as regular teacher at the Doctor school.

Alaska Highway Open But Rugged

Alaska opens new doors for the hardy out of door type U. S. tourist, according to Curtis Proud, director of the Chicago Motor Club's International Touring and Travel Bureau.

Motor Club affiliates in Montana, Washington, Oregon and California particularly report record inquiries about cities in Alaska and the accommodations along the Alaska highway. The Alaska Highway will see its heaviest travel during this year with the touring season running into October.

Travel along the highway has jolted its prewar average of 500 a month to over a thousand a day with reason to believe that the record will be smashed almost daily during the remaining Summer and Fall season.

Proud warned the midwest tourist not to set out on such a holiday without first consulting an authority on travel in the big country. "Alaska," he said, "is not for the comfort loving motorists. Although the 'Alcan' is an 'all weather' gravel road, driving speeds are comparatively low; accommodations along the highway are, for the most part, homely and the fare common. All in all," Proud summed up, "Alaska is on the rise as a tourist Mecca, but at present its travel along the Alcan Highway is still in the rugged stage."

To Present Black Hills Passion Play

The Joliet Lions club will present Black Hills Passion Play at the Joliet Township High school Tuesday thru Sunday, Sept. 15 to 20 with evening performances each night except Saturday, Sept. 19 and Sunday night Sept. 20. There is also a matinee Sunday. The evening performances start at 8:15 pm, and the matinee at 2:30 pm. All the proceeds go to charity.

The Passion Play is a production of unusual interest. It is beautiful and a d inspirational, mighty in all its simplicity, and mammoth in its greatness.

It comes to Joliet after breaking all time attendance records over the nation, and is witnessed annually by more than 500,000 tourists at its summer home in the Black Hills of South Dakota and winter home in Lake Wales, Fla.

tion will mark the fifth annual pilgrimage scheduled for Sept. 4 to 7 at the Salvation Army's Camp Wonderland, seven miles northwest of Antioch, Ill.

Among the activities planned for the Labor Day weekend pilgrimages are daily Bible study periods for adults, teen agers and children; gospel meetings each evening; youth meetings and discussions; religious instruction classes, nightly "inspirations," and musical programs featuring the Spiritual Jubilee Singers of Chicago and the 35 piece Metropolitan Division Band.

The recreational program will include swimming and boating on Center Lake, baseball, tennis, horseshoe pitching, shuffleboard and picnics.

The pilgrimage is open to the public, according to Lt. Col. Dallas P. Leader, commander of the Salvation Army's Metropolitan Division which sponsors the event. Meals and lodging for the entire family will be available, including nursery facilities for the convenience of mothers with

infants and toddlers.

Colonel Leader also extended a special invitation to families and church groups to hold their Labor Day picnics at Camp Wonderland.

The children's program, under the direction of Mrs. Senior Major Milton Agnew, will include Bible study groups, visual education periods, handicraft classes and organized playground activities.

Pilgrimage speakers will include Commissioner Norman S. Marshall, commander of the Salvation Army's 11 state Central Territory; Lt. Col. Harold Madison of San Francisco, Col. Edgar Arkett, Senior Major Milton Agnew and Col. Leader.

At a brief service at 10:15 a. m. Sunday, Commissioner Marshall will dedicate the camp chapel in memory of Commissioner William A. McIntyre, who served as commander of the Central Territory from 1930 until 1939.

Gospel meetings will be held Friday, Saturday and Sunday at 8 p.m., and regular worship ser-

vices are scheduled for Sunday and Monday at 10:30 a.m.

Reservations may be made by calling Col. Leader at EVERGLADE 4-1234 or Lt. Col. Earl Crawford at the camp, Trevor 3582.

Camp Wonderland is located 4 miles north of Antioch on Highway 83 and three miles west on County Highway SA.

Under The Cross Of Malta

Wm. Martin Post met in regular session Thursday evening, August 27, with Commander Hurley presiding. Due to a vacancy in the office of chaplain, it was necessary to elect a new chaplain. Comrade Fred Steinhagen was elected to fill that position.

sition. Commander Hurley was involved recently, in a motor boat accident, resulting in painful injury to his right foot. We all hope for a speedy recovery.

On behalf of all Post members we wish to extend to Comrade Philip Hacker and his family, our deepest sympathy and understanding because of the passing of his mother.

Folks, we will have another fish fry this coming Friday night September 4, from 6 pm. on. The

kitchen crew certainly have mastered the art of putting on a fish fry. Why don't you come Friday evening and eat cheaper than you can in your own home you will be pleased.

To you members of the band, practice every Monday evening, and to every member of the Post please make an effort and you will probably find that it is not so hard to attend a meeting of your post which will be Thursday evening, September 10. — Glenn C. Peterson, Publicity.

ANSWERING YOUR QUESTIONS ABOUT DIESEL TRACTORS

QUESTION:

why do they say, "You're paying for a diesel whether you have one or not"?

ANSWER:

BECAUSE YOU ARE. If you don't spend the money for a diesel tractor, then you do spend it on high priced fuel and extra upkeep. Buy an Oliver Diesel, and your savings soon repay you. You can truthfully say, "I'm paying for it anyway—why not have it?" When you do, you'll have the most up-to-date tractor you can buy.

Comments From The Bench

The Frankfort Girls Softball team traveled to Wilmington Tuesday evening and defeated their host 14 to 4.

Pitching for Coach Reuben Borm's girls was Arleen Flesher while Irene Benck did the catching.

For Wilmington, Faye Friddle pitched and Iola Momburn did the catching. In the seventh inning, Sharon Sincow came in to receive and Iola took over her position at third base.

Frankfort scored three runs in the first on three consecutive

walks, and three hits for Lorraine Redman, LaVerle Mackey and Barbara Hauser. A walk and several errors gave Frankfort two more tallies in the second. In the third, the girls scored six runs on a walk, a fielders choice and baseruns by Irene Benck, Lois Steinbach, Barbara Hauser, Inez Reiter, Arleen Flesher, and a triple by Jean Lentz. In the fourth, fifth, and sixth, it was three up and three down. The first four batters in the seventh inning walked and then LaVerle Mackey doubled to give Frankfort two more runs for a total of 14.

Wilmington scored one run in the second inning on a single by

Sharon Sincow who stole around the bases and scored on overthrows.

In the fourth, Sharon Sincow and Pat Harrison singled, "Sissy" Friddle walked and then Faye Friddle tripled to clear the bases, and that gave Wilmington their four runs.

This win for Frankfort evens the series at one apiece. Wilmington having won on July 23 by a score of 11 to 5.

On Sunday, the girls wound up the season with an outing at Starved Rock. After a long ride the potluck dinner was found very refreshing.

After the dinner, LaVerle Mackey, captain of the team presented this reporter, Ruth Minger, with an autographed baseball from the team in appreciation for the job done thru out the year as assistant coach, treasurer, scorekeeper, and reporter. It was a most pleasant surprise and words failed her to express her thanks.

The afternoon was spent exploring the many trails of the park and in the early evening, a ball game was enjoyed. At dark, a tired but happy group started for home.

And so, unless some team requests another game, thus ends this season's girls baseball activities and this series of "Comments From The Bench."

BABSON SAYS—

Copyright—1953—Publishers
Financial Bureau, Inc.
Babson Discusses Automobile
Parking
Gloucester, Mass., Sept. 3. Au-
tomobile parking will make or

break many cities. The future of
your community may depend
upon the public parking facili-
ties. Not only will the business
of the merchants rise and fall
according to the parking facili-
ties, but these facilities will be a
great factor in causing factories
to locate in your community.
Therefore, I strongly advise ev-

ery reader to get excited about
the parking situation where he
lives. There's money for every-
one in adequate parking.

The purchase of land for park-
ing facilities by super markets,
industrial plants and depart-
ment stores is giving some old
families huge profits. For in-
stance, the "A&P" people—in a
city near here—have said good-
bye to the business center and
have gone out a mile and bought
a small farm. On this the "A&P"
management is developing a su-
per market. It is at the junction
of two main highways and also
adjoins the railroad. They have
paid \$50,000 for this farm which
a few years ago could have been
bought for \$15,000.

Any reader of this column who
has a level field of an acre or
more within reasonable distance
of the present business center
should be very careful before
selling. It may be worth ten
times its assessed value for
parking purposes. I forecast a
real boom in acreage suitable
for industrial plants, super mar-
kets and department stores. We
are on the verge of a great revo-
lution in the location of such
stores and plants.

Driving about New England
towns this summer I have seen
many small stores and homes
where an adjoining vacant lot
is for sale. I strongly advise that
the owner of the store or home
purchase this adjoining lot im-
mediately. In the future this
lot will add considerable to the
present value of your place, as
well as serve as protection. The
value of a building usually is
constantly declining; but the
value of the land is usually in-
creasing. The time is coming
when parking on all streets
will be forbidden, especially at
night. Fortunate those who will
have a place on their own land
for parking and other pur-
poses.

Another good speculation is vac-
cant land near where a cross
street intersects a Through-Way
or a Turnpike, or even a heav-
ily traveled road. The reason
for this is that modern Through-
Ways allow no exit from the
adjoining property onto the
main highway. Going along one
of these new Turnpikes you see
a beautiful knoll and think this
would be a fine place to build a
home. Upon inquiry, however,
you learn that you must buy to
the nearest crossroad in order
to get in and out. Yet, there are
many such locations where there
are now no buildings whatever.
The land close to these intersec-
tions will be the first to build
up and should now be excellent
purchases or speculations.

When I was a boy here in

Gloucester there was no munici-
pal water plant, or sewerage
system, either one of which
could then have been installed
for one-quarter of what they
later cost. I believe that most
cities, including the city from
which I am writing this column,
are very shortsighted today as
to municipal parking facilities.
Furthermore, the longer a city
waits to tackle this problem in a
big way the more it will cost.
These parking expenditures may
amount to a million or more and
perhaps equal the cost of a wa-
ter, gas or sewerage system; but
they can be paid by self-liqui-
dating bond issues.

These municipal parking sys-
tems can become very profitable
to everyone. As an illustration
let me refer to Quincy, Mass.
Here the city demolished the
buildings at the rear of one side
of the main business street at a
cost of a million dollars. This
provides parking for a thousand
cars with a parking meter for
each. The city has a fine in-
come, but the business property
on this side of the street has con-
siderably increased in value. The
merchants are opening a "sec-
ond front" at their rear with
new show windows. They also
are developing their basements
as additional floors. Some stores
have almost doubled their busi-
ness. Now the stores on the op-
posite side of the street are begg-
ing for another municipal parking
area at the rear of their stores
and want the city to invest an
other million dollars in more
parking facilities.

You get greater getaway
with the new Powerglide*

A lot finer performance on a
lot less gas. That's what you
get with the new Powerglide
automatic transmission. There's
no more advanced automatic
transmission at any price.

You get more power
on less gas

That's because Chevrolet's two
great valve-in-head engines are
high-compression engines. In
Powerglide* models, you get
the most powerful engine in
Chevrolet's field — the new
115-h.p. "Blue-Flame." Gear-
shift models offer the advanced
108-h.p. "Thrifty-King" engine.

It's heavier for
better roadability

You're in for a pleasant sur-
prise at the smooth, steady,
big-car ride of this new Chev-
rolet. One reason is that, model
for model, Chevrolet will weigh
up to 200 pounds more than
the other low-priced cars.

*Combination of Powerglide auto-
matic transmission and 115-h.p.
"Blue-Flame" engine optional on
"Two-Ten" and Bel Air models at
extra cost.

ALPINE

Mrs. E. Mrosek
Orland 41-J-1

The Orland Boys 4H club will meet at Maue school Friday, Sept. 4 at 8 p.m. All record books are to be turned in at this meeting. Louis Schmidt and Jerry Gorman are scheduled to give talks. Donald Alexander and Richard Meier are to serve refreshments.

The Alpine Braves ball club was defeated by a score of 9-0 in a hard fought tournament game with the Eagles A. C. at Thillen's Stadium in Chicago, Friday evening. Mr. Lohman, manager of the Alpine club feels that, all things considered, the club made a fine showing. The Alpine Braves are part of the Mokena Little League and have been organized only since about the middle of July. The Eagles A. C. had the advantage of being completely all star, having drawn their players from a number of teams and of having had a much longer training period. Mr. Lohman says the Alpine club is composed of very promising material and that next year their training will start early in the spring. Mr. Lohman would like all boys who can, between the ages of 9-12, to turn out for baseball. He states, "It doesn't make any difference whether a boy can play ball or not, we will coach him and teach him to play ball."

Miss Patsy Felsch, 11 year old daughter of Mr. and Mrs. Henry Felsch, was the happy winner of the vacuum cleaner given by Sears and Roebuck to the person who could come the closest in guessing the number of marbles in a jar at the Sears booth at the 4H fair. Patsy is a member of the Alpine Girls 4H club.

Charles Schram of Chicago, son of Mrs. Charles Erickson, suffered a freak accident at work Tuesday of last week when a bolt he was pounding ricocheted and lodged in a lung. He was in a very critical condition at St. Luke's hospital in Chicago, but seems to be improving.

Among those who attended the Will County Fair at Peotone Sunday were Mr. and Mrs. Owen Maue and family, Mr. and Mrs. Arthur Maue, Mr. and Mrs. Walter Lauffer and Mr. and Mrs. Milton Bettenhausen.

Mr. and Mrs. Milton Woodrich and son Freddy of Nashville, Tenn., were guests for a week recently in the home of his father, Herman Woodrich. They spent their time visiting family and friends in and around Mokena.

Supper guests of Mr. and Mrs. Melvin Perzee Sunday were Mr. and Mrs. Sam Perzee of Danforth, Mr. and Mrs. Bill Perzee of Ashkun and Mr. and Mrs. Joe Norwood of Chicago.

Mr. and Mrs. Harwood Stellwagen and family and guest, Charles Lauffer, enjoyed a picnic at Brookfield zoo Sunday.

Arthur Aguilar returned to Chicago Monday after a two months stay at the Melvin Perzee farm.

A-1-C Herbert Schumacher, who has been home on a 25 day furlough, left last Sunday for Alaska where he is stationed. He had been at Mather air port base in Calif., the past two years. Mrs. Schumacher resides with her parents, Mr. and Mrs. Ernest Show.

The birth, recently, of two grandchildren within a week of each other has Mr. and Mrs. Ernest Show practically overcome with happiness. A baby girl weighing 10 pounds, 12 ounces, was born to their son, Mr. and Mrs. Floyd Show of Matteson in St. James hospital in Chicago Heights, Aug. 20. The tiny Miss has been named Holly Ann. The second blessed event took place in Silver Cross hospital, Joliet, Aug. 25, when a son weighing 8 pounds, 3 ounces was born to their son, Mr. and Mrs. Show.

Becky and Joan Stellwagen vacationed at the home of their grandparents, Mr. and Mrs. Ralph Stellwagen in Mokena, Thursday and Friday.

Mr. and Mrs. Henry Felsch and daughters, Patsy and Sandra, Mr. and Mrs. Joseph Pelouquin and daughters, Carol and Nancy returned over the weekend from a week's vacation at Corey Lake at Three Rivers, Mich., where the two families shared a cabin. Good swimming weather and a wonderful time was enjoyed throughout their stay. Among the points of interest to be visited in and around Three Rivers was the small park where every kind of animal native to Michigan is on exhibit.

The latter part of the Felsch's vacation was saddened, though, when they were called home by the death of Mrs. Sarah Sayres, who had been a cook at Schrages Inn where Mrs. Felsch is employed. Mrs. Sayres had been at the Inn many years and was well liked by all who knew her and worked with her.

The Pelouquin's spent an extra day at his brother's resort in Wisconsin but returned early Monday morning.

DEEP WELL SUBMERSIBLE PUMP

Here is an ideal pump for farms, suburban homes and other places where high volume is required and the well is deep! The entire pumping unit, including the motor, is completely submerged in water. The motor, water-cooled and water-lubricated, pushes the water up the service pipe. Most economical pump to use!

Offers these features!

Pump is always primed • No rods or shafts to warp • Only one pipe needed inside well casing—the same pipe that holds the pump is also the service line • Pressure tank may be set over or away from well • Has long life—made of bronze and stainless steel • Easy to install • Pumps efficiently at depths as low as 400 ft. • Delivers as much as 1600 g.p.h. at shallower settings.

CARD OF THANKS

I wish to express my sincere thanks to one and all, for the many beautiful cards, flowers and gifts received during my recent illness.

MRS. HENRY GEUTHER, JR.

CARD OF THANKS

It is impossible for us to express in words our heartfelt thanks for the wonderful way in which relatives, friends and neighbors assisted us during our recent bereavement in the death of our beloved husband, father and grandfather. May we also extend our sincere thanks to Rev. Erich Bizer for his comforting words, the soloist and accompanist and to all for the many beautiful floral offerings and those who donated the us of their automobiles.

MRS. WILLIAM KOERNER,
CHILDREN and GRAND-
CHILDREN.

CARD OF THANKS

We extend our thanks and appreciation to all friends and relatives for their sympathy and kindness shown to us at the time of the death of our beloved mother, Mrs. Kate Lankenau.

ORLAND PARK

Mrs. Sherman Knox
Orland Park 211W

Mr. and Mrs. Albert Cooper, Mrs. Alice Newton, Mrs. Alma Rauch and son Carl, Jr., spent an enjoyable day at White Pines State Park near Oregon, last Tuesday.

A barrel of empty fruit jars from the Lake Bluff orphanage has arrived at the home of Mrs. Mable Ekberg, who has placed some in the basement of the Methodist church. These jars are to be filled with home canned goods, fruit, vegetables, or jelly and returned to the orphanage. Mrs. Ekberg at her home. This is the annual project of the Methodist church which helps keep the orphanage supplied with such essential things for the children. The church also helps in this way to care for the Methodist Old People's home, but to date, their empty jars have not arrived. The church desires to draw attention to these less fortunate folk when coming at home to fill a jar or two for this project which is greatly appreciated by these people.

On August 15 several Orland Scouts began a memorable week camping on an island in Black Lake near Lake Tomahawk, Wis. The week was spent fishing, boating and swimming. About 20 fish were caught. A trip was made to Minocqua and Woodruff for supper, souvenir shopping and a show. The boys who enjoyed this outing were: Dick Schmaedeke, Jimmy Frickman, Jimmy Cosentino, Tom Davidson, Ronny Creer, Dick Hallgren and Dick Anderson. The G. A. Hallgren, Willard Creer and Harry Anderson families accompanied the boys, the men staying on the island and the women and girls in the Hallgren's cottage. Many thanks to the G. A. Hallgren's and to Mr. Hallgren's parents for making this never to be forgotten trip possible.

Mrs. Robert Horn received a telegram Thursday afternoon that her brother Otto Breitbarth's wife, Theresa of Truman, Minn. had passed away. Funeral services were held Aug. 31. Due to ill health, Mrs. Horn was unable to attend the service, but Mr. and Mrs. Harold Breitbarth and family of Finley Park attended the funeral service.

The Explorer Scouts, Arthur Creer, Gerald Myrick, Richard Manning, Wendell Doctor and Harold Sayers who spent last week at Eagle River, Wis. made a trip to Duluth, Minn., where they saw many points of interest among which were the ore mines.

Mrs. Orville Schmaedeke had as her guest the past two weeks, her sister, Mrs. Wm. Lutterman and daughter, Susan and son Howard of Albuquerque, New Mexico. They left for home last Friday. Mr. Lutterman is in the Army Air corps stationed at New Foundland.

Mr. and Mrs. Ralph Show announce the birth of a son, born August 25 in Silver Cross hospital, Joliet. He weighed 8 lbs. 3 oz. and has been named David James. David makes the 6th grandchild for Mr. and Mrs. Thomas Cooper.

Orland Park unit 526, the American Legion Auxiliary will meet Friday, Sept. 11 in the school library at 7:30 p.m., with Mrs. H. Adele Cooper and her corps of officers presiding. Miss Clara Myrick, music chairman, will have charge of the program. As the 1953 dues are now in order, it is requested that members send their dues to Mrs. Florence Sayers or bring them at the meeting. Refreshments will follow the program.

Mrs. James Creer had as her guest for a few days, little Bobby Sablotny from Decatur. His parents were here for the funeral services for Mrs. Sally Sayers.

A son was born to Mr. and Mrs. John Pasmore in St. Francis hospital, Blue Island, July 2. He weighed seven pounds, four ounces and has been named Robert.
